JANUARY 2025

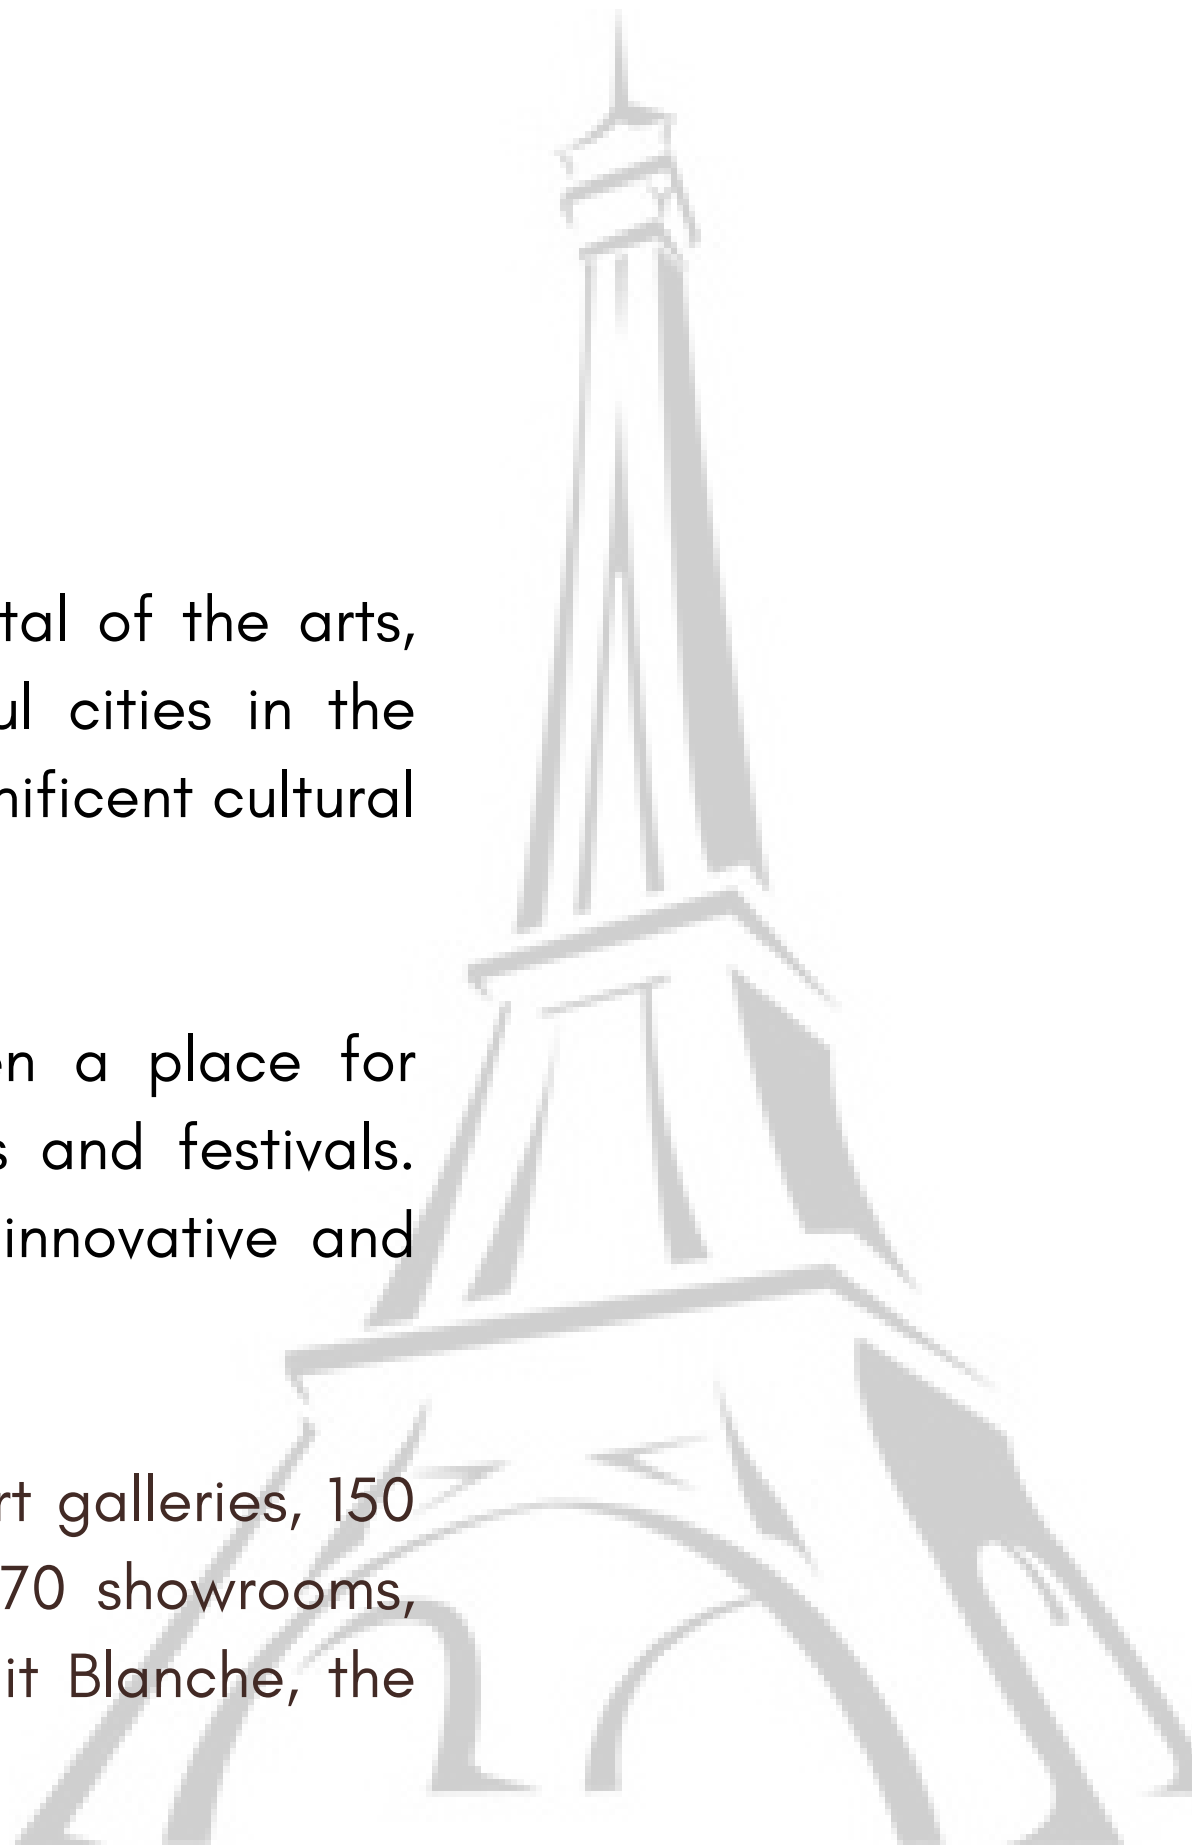

París

THE CITY OF THE LIGHTS

The French capital is considered the capital of the arts, which makes it one of the most beautiful cities in the world. And this is due, above all, to its magnificent cultural heritage.

Throughout history, Paris has always been a place for cultural meetings, exhibitions, salons, fairs and festivals. This contributes to making it a dynamic, innovative and creative city.

In Paris we find not only more than 200 art galleries, 150 museums, 100 cinemas, 110 theaters and 170 showrooms, but also innovative “concepts” such as Nuit Blanche, the Music Festival or Paris-Plage

Parc Expo

PORTE DE VERSAILLES

Open only to galleries, the Art3F concept favors the direct connection between creation professionals and art lovers.

The dynamism, the broad proposal and the quality of the works make the Art3F International Contemporary Art Fair one of the best venues for the dissemination, promotion and sale of art among the many visitors who come together at this event.

From Gaudí Art Gallery we want to offer this fantastic opportunity to artists who want to participate with us in the next Inter-National Contemporary Art Fair Art3F in Paris from 24th to 26th, of January 2025.
